Explanatory Notes to the Resolutions as set out in the Notice of Annual General Meeting ("AGM")

An explanation of each of the resolutions is set out below.

Resolutions 1 to 8 (inclusive) are proposed as ordinary resolutions. This means that for each of these resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolution 9 is proposed as a special resolution. This means that for this resolution to be passed, not less than 75% of the votes cast must be in favour of the resolution.

Report and Accounts

Resolution 1

The Directors of the Company are required to present the Annual Report and Accounts to the meeting.

Directors

Resolutions 2 to 6

These resolutions are to approve the election or re-election of the Directors of the Board. In accordance with provision 23 of the AIC Code of Corporate Governance (published in August 2024), all Directors will be subject to annual re-election whereby each Director will retire and those willing to serve again will submit themselves for re-election. The Directors believe that the Board offers a combination of skills, experience and knowledge and that all the non-executive Directors are independent in character and judgement.

The Board considers that the performance of each Director continues to be effective and demonstrates the commitment required to continue in their present roles, and that each Director's contribution continues to be important to the Company's long-term sustainable success. This consideration is based on, amongst other things, the business skills and industry experience of each of the Directors, as well as their knowledge and understanding of the Company's business model.

The Board has also considered the other contributions which individual Directors may make to the work of the Board, with a view to ensuring that:

- (i) the Board maintains a diverse balance of skills, knowledge, backgrounds and capabilities leading to effective decision-making;
- (ii) each Director is able to commit the appropriate time necessary to fulfilling their roles; and
- (iii) each Director provides constructive challenge, strategic guidance, offers specialist advice and holds third party service providers to account.

Auditors

Resolution 7

The Company is required to re-appoint auditors at each general meeting at which accounts are laid, to hold office until the conclusion of the next such meeting. The Company's Audit Committee has recommended to the Board the re-appointment of Grant Thornton Limited and the Board has endorsed this recommendation. This resolution therefore proposes the re-appointment of Grant Thornton Limited as auditors of the Company.

Resolution 8

This resolution is to authorise the Audit Committee to determine the remuneration of the Auditors.

Shares

Resolution 9

Resolution 9 is to allow the Company to repurchase up to 49,992,856 ordinary shares and replaces the existing authority in this regard. There is no present intention to exercise such general authority. This authority will expire at the conclusion of the next annual general meeting of the Company. The Directors intend to seek renewal of this authority at subsequent annual general meetings in accordance with best practice.

The resolution specifies the maximum number of ordinary shares which may be purchased (representing 14.99% (excluding treasury shares) of the Company's issued ordinary share capital as at 6 August 2025, being the latest practicable date before the publication of this document) and the maximum and minimum prices at which they may be bought, exclusive of expenses. General purchases undertaken in accordance with this resolution will only be made through the market.

The Directors undertake that, after considering the maximum number of shares that may be repurchased pursuant to the general authority granted by Resolution 9, and the price at which any such repurchases shall be effected, on the date on which the repurchase is to be effected they will ensure there are reasonable grounds for believing that the Company is, and after the repurchase will continue to be, able to pay its liabilities as they become due.

Under the Companies (Guernsey) Law, 2008, as amended (the “**Companies Law**”), the Company is allowed to hold its own shares in treasury following a repurchase, instead of having to cancel them. In accordance with the Company's articles of incorporation, the Companies Law and the LSE listing requirements, treasury shares may be resold for cash, used to settle future scrip dividends offered by the Company to its shareholders or used for the exercise of options under employee share schemes. However, all rights attaching to such shares, including voting rights and any right to receive dividends are suspended whilst they are held in treasury. If the Directors exercise the authority conferred by Resolution 9, the Company will have the option of holding them in treasury or cancelling any of its own shares purchased under this authority and will decide at the time of purchase which option to pursue.

Further information about the AGM

Right to attend AGM

Only those members registered on the Register of Members of the Company at close of business on 12 September 2025 (or in the event of an adjournment, at close of business on the date which is two working days prior to the adjourned meeting), or their duly appointed proxy, shall be entitled to attend and vote at the AGM. Changes to the Register of Members after the deadline shall be disregarded in determining the rights of persons to attend and vote at the AGM.

Quorum

The quorum for the AGM will be two persons entitled to attend and to vote on the business to be transacted, each being a member so entitled or a proxy for a member so entitled or a duly authorised representative of a corporation which is a member so entitled. If within thirty minutes (or such longer interval as the Chair of the AGM in her absolute discretion thinks fit) from the time appointed for the holding of the AGM a quorum is not present, or if during the AGM such a quorum ceases to be present, the AGM shall stand adjourned to the same day in the next week (or if that day be a public holiday in Guernsey to the next working day thereafter) at the same time and place and no notice of such adjournment need be given. At any such adjourned meeting, those members who are present in person or by proxy shall be a quorum. If no members are present at the adjourned meeting, the meeting shall be dissolved.

Appointment of a proxy

Members are entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote at the AGM and at any adjournment thereof. A member may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company but they must be

registered in advance and attend the AGM to represent you.

To be effective, the proxy vote must be submitted at <https://uk.investorcentre.mpms.mufg.com/> so as to have been received by the Company's registrars not less than 48 hours (excluding weekends and public holidays) before the time appointed for the meeting or any adjournment of it.

Investor Centre is a free app for smartphone and tablet provided by MUFG Corporate Markets (the company's registrar). It allows you to securely manage and monitor your shareholdings in real time, take part in online voting, keep your details up to date, access a range of information including payment history and much more. The app is available to download on both the Apple App Store and Google Play, or by scanning the relevant QR code below. Alternatively, you may access the Investor Centre via a web browser at: <https://uk.investorcentre.mpms.mufg.com/>.

Any power of attorney or other authority under which the proxy is submitted must be returned to the Company's Registrars, MUFG Corporate Markets, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL. If a paper form of proxy is requested from the registrar, it should be completed and returned to MUFG Corporate Markets, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL to be received not less than 48 hours before the time of the meeting.

You should submit your proxy instruction electronically as soon as possible and in any event not later than 2.15pm on 15 September 2025 (or in the event of an adjournment, no later than 48 hours (excluding non-working days) before the time set for the adjourned meeting). Submitting your proxy electronically will not preclude members from attending and voting at the meeting should they wish to do so. Alternatively, you may request a hard copy Form of Proxy from MUFG Corporate Markets (see below).

In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Shareholder Information

CREST members

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “**CREST Proxy Instruction**”) must be properly authenticated in accordance with Euroclear UK & International Limited’s specifications and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer’s agent: MUFG Corporate Markets (ID: RA10), by the latest time(s) for receipt of proxy appointments specified above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings (www.euroclear.com).

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

Proxymity Voting – if you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 2.15pm on 15 September 2025 in order to be considered valid (or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting). Before you can appoint a proxy via this process you will need to have agreed to Proxymity’s associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

Unless otherwise indicated on any Form of Proxy, in CREST, in Proxymity or via any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting.

If you need help with voting online, or require a paper proxy form, please contact our Registrar, MUFG Corporate Markets by email at shareholderenquiries@cm.mpms.mufg.com or you may call MUFG Corporate Markets on 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales. Submission of a proxy vote shall not preclude a member from attending and voting in person at the meeting in respect of which the proxy is appointed or at any adjournment thereof.

Corporate Representatives

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same ordinary shares.
